

Beacon Clinician Survey

(The final version of this questionnaire will be a web-based survey, and then formatting will be completely different. Therefore, please do not pay too much attention to the format).

We appreciate the time you are taking to complete this questionnaire and hope that the information will help us better understand how new technology influences people.

Instructions

When completing the questionnaire, you can leave blank any questions that you do not want to answer. Remember that your responses are strictly confidential and will be closely guarded. This questionnaire has been designed to gather information about the work you do, the technology you use, and your quality of working life. Please try to answer all of the questions.

To answer the questions, check the appropriate box on the scale. For example:
